Xavier Educational Academy is a small private school located in the West University neighborhood of Houston, TX. Its mission is to serve students who struggle in the traditional school environment with a small, caring environment that caters to a student's strengths. Many specialists are on staff to promote the educational welfare and wellbeing of all the students. In an effort to offer this environment to as many students as possible, Friends of Xavier is holding an auction on April 12th benefitting our scholarship fund.
